Date: June 30, 2016
To: FAIRA Member District
From: Susan Blankenburg
SUBJECT: FAIRA INSURANCE RENEWAL

It is with great pleasure that we announce effective July 1, 2016 that FAIRA has selected a new partner for their Property & Liability Insurance program.

FirePlus is a leading edge provider of Fire District Insurance, with an A XV rating by Best's. We will be forwarding your updated Insurance Outline in the next couple of weeks that will provide you a summary of the terms of our new program. In the interim please rest assured that all of the basic insurance coverages remain intact. There are actually a few enhancements over last year's coverage, that we will be sharing with you.

We have enclosed your new Automobile Accident Kits that go in the glovebox of each District vehicle, that provide updated claims information for the new carrier. (Please discard all previous kits.) Please note that the contact information on the outside of each envelope is the same email address and set of phone numbers to use when reporting all types of new claims. All claims occurring after July 1, 2016, are to be reported to FirePlus.

All of your District's Certificates of Insurance have been renewed and mailed to the Certificate Holders on file. We have provided a Certificate of Insurance for your District that will serve as your Evidence of Insurance that contains your new carrier's policy information.

The invoice for your renewal premium was sent out the end of last week and a complimentary copy has been attached.

All of the information mentioned above can be found at www.FAIRA.org. Copies of all Certificates issued and your Insurance Invoice are saved in Members Only section, in your District's folder.

I would like to take this opportunity to thank-you for your business.

Best regards,
